

Hello guys, here you are the official guide “How To Buy BabyDoll Tokens”

Let’s start doing step by step.

1: open your account binance and click to “Overview”:

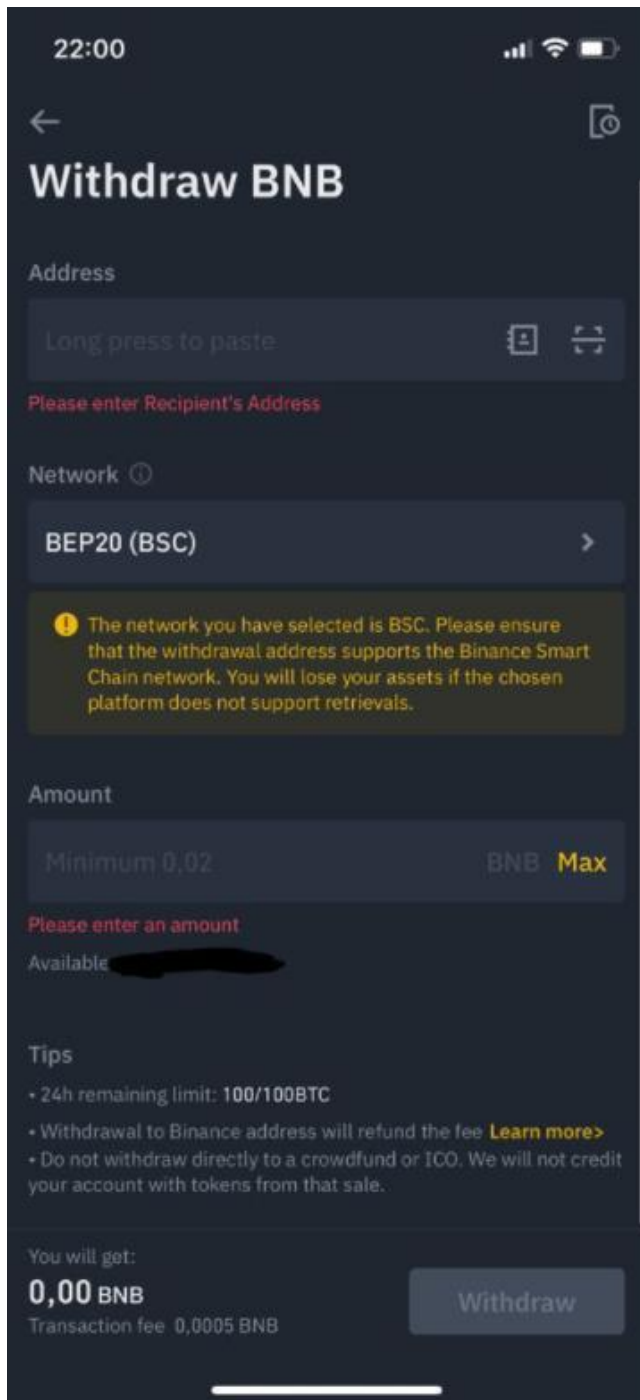

2: Click in the top left side "Crypto":

3: Select your BNB instead of Bitcoin:

4: Select into the network “BEP20 (BSC) Binance Smart Chain” and paste your wallet address of TrustWallet.

YOU DON'T KNOW HOW TO SETUP YOUR TRUSTWALLET? No problem, follow the next guide.

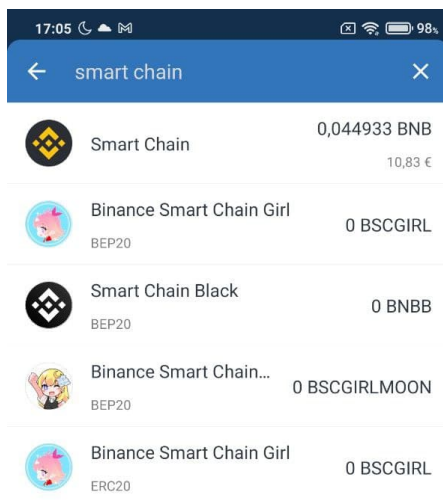

Installing TrustWallet

Step 1. Install on your Play Store TrustWallet

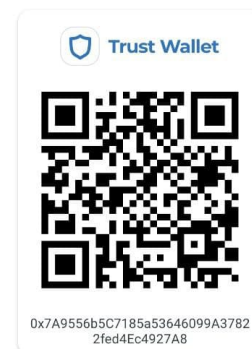

. . .

Using TrustWallet

One of the first tasks you will want to do on Trustwallet is to create a wallet, after you created it just click on receive and search for smart chain.

Click on Smart Chain and copy the address And Paste it to Binance to receive your bnb

Invia solo **Smart Chain** a questo indirizzo.
L'invio di qualsiasi altra moneta può comportare una perdita permanente.

Copia

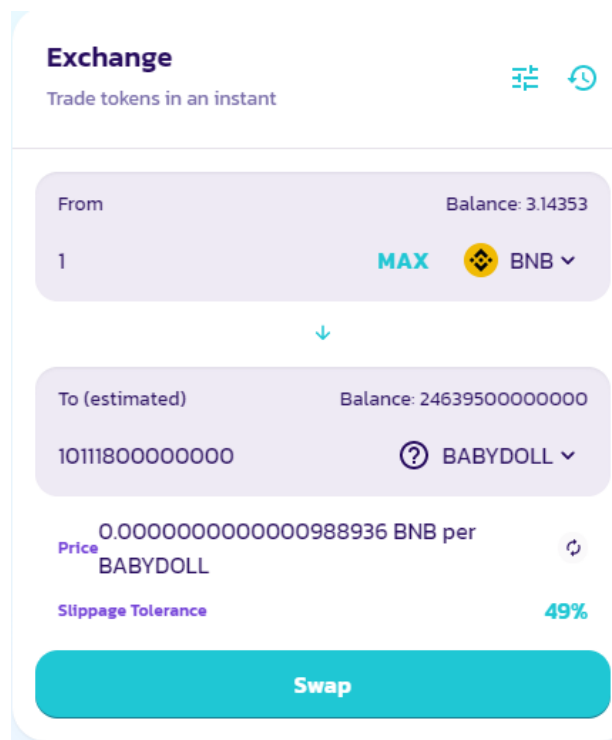

Imposta importo

How to buy BabyDoll Tokens? Simple, follow the next steps:

- ❓ From your metamask app, click the 3 line on the top left of your phone and click “Browser”
- ❓ Copy this link and paste it on the dapps browser of trustwallet:
<https://exchange.pancakeswap.finance/#/swap?outputCurrency=0xb263bA5D623A533D4c1A5DE262f287998C368f58>
- ❓ Like in the picture, as you can see for buy you have to put your BNB upside and BabyDoll Tokens down side

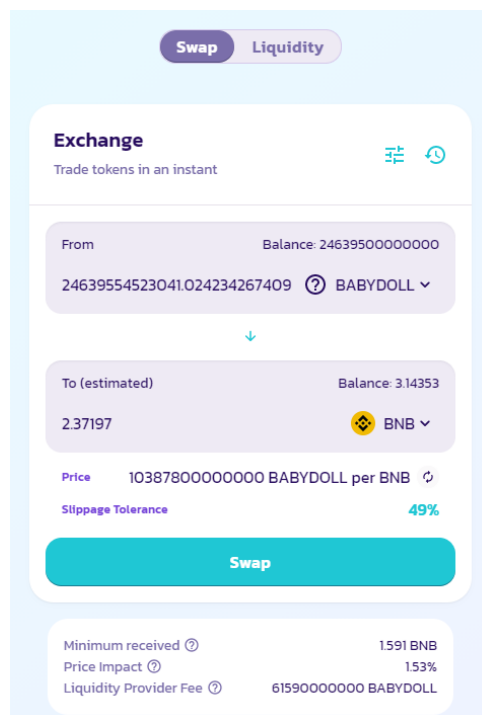

- After you have choice your amount of bnb to invest, click swap and confirm the swap. After this you have to confirm the gas fee transaction too on the pop-up of trustwallet.

Do you want to know how to sell your tokens? No problem, you have to go here as always:

<https://exchange.pancakeswap.finance/#/swap?inputCurrency=0xb263bA5D623A533D4c1A5DE262f287998C368f58>

Select your Tokens, choosing the amount that you need and press swap like in the step before:

I hope you have enjoyed the guide.
